

SELECTED CANDIDATES

São Paulo School of Advanced Sciences in Emerging Pollutants

ESPCA received 214 applications from foreign candidates from 35 countries. 50 students were selected (list in alphabetical order below) based on the analysis of all submitted documents. Each application and document were independently evaluated by two members of the scientific committee. Preference was given to graduate students, postdoctoral researchers, and recent PhD graduates, in accordance with ESPCA funding guidelines. A waiting list is also provided in case of withdrawals or cancellations of selected candidates.

The ESPCA organization will soon contact by e-mail the selected candidates to provide further details on registration confirmation and travel arrangements.
